Notice to Applicant Regarding Replacement of Accident and Sickness Insurance

If "Yes" is indicated above, you intend to lapse or otherwise terminate existing accident and sickness insurance and replace it with a contract to be issued by Blue Cross and Blue Shield of Texas. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new contract.

1. Health conditions which you may presently have may not be immediately or fully covered under the new contract. This could result in denial or delay of a claim for benefits under the new contract, whereas a similar claim might have been payable under your present contract.
2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present contract. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
3. If, after due consideration, you still wish to terminate your present contract and replace it with new coverage, be certain to truthfully and completely answer all questions on this application concerning the medical/health history of any person applying for coverage. Failure to include all material medical information on any application may provide a basis for the company to deny any future claims and to refund your premium as though your contract had never been in force. After the application has been completed and before you sign it, re-read it carefully to be certain that all information has been properly recorded.
4. It is recommended that you not terminate your present contract until you are certain that your application for the new contract has been accepted by Blue Cross and Blue Shield of Texas.

Acknowledgements: The Applicant, to the best of his/her knowledge and belief, represents and agrees as follows: 1. This application does not provide coverage of any kind unless approval is provided by Blue Cross and Blue Shield of Texas (the Company); and the application, if not previously approved or declined, will be considered withdrawn on the 60th day after its date. 2. Medical expense coverage will not be available until the effective date of the health contract and payment, in full, of the first month's premium. 3. The medical expense benefits applied for and if issued, shall not cover any illness, accident, or physical impairment which existed or occurred prior to the effective date of the Applicant's coverage until the Applicant shall have held coverage under the contract for a period of 12 months if PPO Select Saver or PPO Select Choice is selected, or 18 months if PPO Select Blue Advantage is selected. (This limitation does not apply to participants under 19 years of age for policies with an initial effective date on or after March 23, 2010.) 4. No agent can accept risks or modify policies or requirement of the Company. 5. The Company is not bound by any statement not written in this application. 6. If a spouse is included for medical expense coverage, the premium will be calculated based on the age of each adult. 7. I understand that an act, practice or omission that constitutes fraud or making an intentional misrepresentation of material fact on this application may result in rescission of coverage. Rescission is defined as a cancellation or discontinuance of coverage that has a retroactive effect. I will be provided with at least 30 days' advance written notice before my or my dependent's coverage may be rescinded, retroactive to the effective date of coverage.

The undersigned Applicant further acknowledges that any agent is acting on his/her behalf for purposes of purchasing the insurance, and that if the Company accepts this application and issues an Individual Policy, the Company may pay the agent a commission and/or other compensation in connection with the issuance of such Individual Policy. The undersigned further acknowledges that if he/she desires additional information regarding any commissions or other compensation paid the agent by the Company in connection with the issuance of the Individual Policy, they should contact the agent.

Agreement: I understand that any statements and answers on this application are representations. To the best of my knowledge and belief they are true and complete. These representations are the basis of my application. I understand that coverage will be effective following underwriting approval and payment in full of the first months premium and receipt and acceptance by the Company of any required Amendatory Endorsement and/or Coverage Exclusion Rider, if applicable. The undersigned Applicant and agent acknowledge that the Applicant has read the completed application and that he/she realizes that any false statement material to the risk or misrepresentations therein may result in loss of coverage under the policy.

Medical Authorization: I authorize any medical professional, hospital, clinic or other medical or medically related facility, governmental agency or other person or firm, to disclose to the Company or their authorized representative, information, including copies of records, concerning advice, care or treatment provided to me and/or my dependents, including and without limitation, information relating to the use of drugs or alcohol. I also authorize the release of information relating to mental illness. In addition, I authorize the Company to review and research its own records for information.

I understand my authorization is voluntary and that such information will be used by the Company for the purpose of evaluating my application for health insurance. Further, I understand that my authorization is required for the Company to consider my application and to determine whether or not an offer of coverage will be made. No action will be taken on my application without my signed authorization. I understand information obtained with my authorization may be re-disclosed by the Company as permitted or required by law and no longer protected by the federal privacy laws.

I understand that I or any authorized representative will receive a copy of this authorization upon request. This authorization is valid from the date signed and, provided the Company approves coverage, until a policy is put in force unless revoked by me in writing, which I may do at any time. Any revocation will not affect the activities of the Company prior to the date such revocation is received by the Company.

Signatures: I acknowledge receipt of the Required Outline of Coverage and I certify that:

- 1. Premiums are being paid by me as a personal expense. 2. My employer is not contributing to any part of the premium, either directly or through reimbursement. 3. Important: Your application must be signed and dated by all applicants as required. (This includes your spouse and all dependents age 18 or over who are applying for coverage.) Missing signatures or dates will cause a delay in processing.
